

IMPACT OF THE SOCIO-ECONOMIC DEVELOPMENT POLICY ON THE PRESERVATION OF CULTURE OF SILA ETHNIC PEOPLE

Phan Mạnh Dương*

Abstracts: *The acceleration of national industrialization and modernization has created many opportunities and challenges for ethnic minorities in the North West in general and Si La people in Mường Tè district, Lai Châu province in particular in the process of integration and development. In this article, we study the impact of the implementation of social and economic development policies on the preservation and promotion of the cultural values of Si La people in Mường Tè district, Lai Châu province. Some solutions to improve effective implementation of economic, cultural and social development policies for smaller ethnic minorities in general in the current context are thereby suggested.*

Keywords: *Policy, cultural preservation, Si La people, smaller ethnic minorities.*
